Short Title, Definitions and Commencement :

Definitions :

- a) **CBCS:** CBCS means Choice Based Credit System. Choice Based Credit System is a flexible system of learning. 'Credit' defines the quantum of contents / syllabus prescribed for a course and determines the number of hours of instruction required. This system permits students to-
- learn at their own pace
 - choose electives from a wide range of Elective Courses offered for the programme
 - undergo additional courses and acquire more than the required number of credits
 - adopt an inter-disciplinary approach in learning
 - make best use of the expertise of available faculty.
- b) **Programme:** The term 'programme' is used to mean the whole learning experience or combination of courses in a particular field of study.

the traditional concept 'paper' is replaced by a continuous assessment system. The academic year means a period of twelve semesters.

The term "end-semester" is used to mean a half-semester including examinations, vacations, s.

The semester normally extends over a period of 15 weeks. Each week has 30 hours of instruction.

The term "in-semester" is used to refer to the period within the half-yearly term.

The term "end-semester" is used to refer to the period of examinations and evaluations at the end of the half-yearly term.

The quantum of contents/ syllabus for each course and determines the number of hours of instruction per week. Thus, normally in each of the semesters assigned on the basis of the number of hours of laboratory work and other forms of instruction, the student shall complete the course contents in a 14-15 weeks.

1 Hour duration per week = 1 Credit

2 Hour duration per week = 1 Credit

3 Hour duration per week = 1 Credit

Discussions and tutorials shall not be considered as other activities like seminars,

Semester Duration :

- i) Odd Semesters: June –November (including end-semester examinations and semester breaks)
- ii) Even Semester: December -May (including end-semester examinations and semester breaks)
