5	Publication of 3ʳᵈ Merit List	12 July, 2023
6	Closing of offline Admission in 3ʳᵈ Merit List	15 July, 2023
7	Spot Admissions (Offline)	17-18ᵗʰ July, 2023

Important points

- Colleges are given direct access to the platform to feed own data ensuring correctness
- Because SAMARTH platform is launched this year, the colleges are given the privilege of preparing their own merit list.
- Students can give 10 options of UG programme in Colleges/University in the application.
- Colleges/universities have to ensure correct configuration of data, for example, subjects approved by the parent university, number of seats available against each programme, major seats/minor seats, subject groups etc.
- Assam Govt. Fee waiver scheme to be linked to SAMARTH. As such all the deserving students can avail fee waiver only when the students apply through the SAMARTH platform.
- There may be provision for spot admission, as deemed necessary.

Advantages

- Students will be free from the hassles of applying individually at different colleges.
- Overlapping admission will be avoided.
- Ease the financial burden on Colleges/Universities to maintain ERP system at Institution level.
- No maintenance hassles for the digital platform and no cost involved from the college at any point while using the digital platform.

To do List

- To set-up Admission Helpdesk in every College and University, wherein the Admission Module Coordinator and Nodal Officer can help students apply.
